Colònia Sant Jordi - Mallorca
WELCOME!

After over a decade of running highly successful Family Swim Holidays in Mallorca, the BEST Centre is proud to present our new swim training camp - **CAMP Mallorca**.

Throughout the summer, young swimmers now have the opportunity to stay in the Bluewater Sports Hotel in the beautiful town of Colònia Sant Jordi just 5 minutes walk from one of the worlds best swimming facilities, **The BEST Centre**.
Why CAMP Mallorca?

We believe living and training alongside likeminded athletes from across the world is a highly beneficial experience both in and out of the pool. In addition, training in our elite facilities which are frequently used by international stars, and above all, gaining first-hand knowledge from successful international and Olympic experienced coaches is an incomparable experience for young swimmers.

Our goal for each athlete is to have fun, learn, meet new friends, and take a great attitude about their swimming back to his or her home club, while also learning to be independent.

INTRODUCTION

About CAMP Mallorca

Here at The BEST Centre, we believe training camps are very important for young swimmers. We have recognised that parents can’t always accompany their children on training camps, so to ensure that these swimmers don’t miss out, we are offering Camp Mallorca as the perfect solution. The camp has been designed for swimmers ages 12-18 of all levels, from club swimmers to international standard. Swimmers will to stay in a safe and healthy environment, practice the sport they love, and have a lot of fun along the way!

Although Camp Mallorca is focused towards children attending a training camp independently, parents are very welcome to visit Colònia and stay in a separate hotel. While you are more than welcome to watch your children swim, and take them out between sessions, you also have the freedom to focus on your own holiday.

About Colònia Sant Jordi

The Town

Colònia Sant Jordi is one of the most beautiful places on the island and boasts some of the best beaches in Europe. It is a great place for strolling, cycling, fishing and kayaking, as well as numerous other outdoor activities. We will include plenty of fun activities away from the pool to make this a really memorable holiday.

Colònia Sant Jordi is where the locals and those in the know take their holidays and weekends away. The small town of Colònia Sant Jordi, nestling in the south east corner of the island in the municipality of Ses Salinas, is renowned for its golden sand, crystal water and peaceful setting. Surrounded entirely by national park the town opens out onto some of the best beaches in the mediterranean. This is an amazing location to be!

Colònia Sant Jordi has everything you need to make your camp a success. The town is neither too large nor too small, and a short walk from the training centre you will find plenty of cafes, bars and restaurants, among them, according to the national press, the best paella not just on the island but in all of Spain!

Surrounding Area

The beauty of Colònia Sant Jordi is that the surrounding area is all protected woodland. This means there will be no high-rise hotels, traffic and crowds, just peace and tranquility.

For most people on a swim training camp, a walk in the woods is not their idea of relaxing between sessions, but for other family members, chaperones and team staff, there is plenty to do outside the regular activities and excursions.

We can supply you with walking, hiking and biking trails that take you through the hinterland and coastline of Ses Salines. There is also sailing, fishing, kayaking, kite surfing, windsurfing, snorkelling, golf, tennis, horse riding, water aerobics, yoga, pilates, massage, spa treatments... you get the idea!

8. Who will be coaching my children?

We primarily organise groups by age and then after the first one or two sessions we organise the groups by standard and needs.

This really depends on the numbers of swimmers. Typically, there are around 6 swimmers in each 50m lane.

We pride ourselves on the low ratio of swimmers to coaches and monitors. We feel that individual attention is a necessity and is vital for a positive experience.
